

Health reimagined:

For a healthier tomorrow

Alexforbes Health are the appointed consultants to Ninety One

Our purpose is to provide suitable advice based on your medical needs and affordability, across the two medical schemes offered via your employer, namely **Discovery Health Medical Scheme** and **Fedhealth Medical Scheme**.

A breakdown of your dedicated Alexforbes Team below:

Assistant consultant – can assist with the following:

- Advice on choosing a plan that suits your needs
- General membership queries
- Applications to join
- Plan changes
- Transfers or cancellations
- Adding or removing dependents

Senior Healthcare Consultant – is responsible for the following:

- Overall servicing within Ninety One including employer strategic advice and escalations
- Management of the year-end option change process
