WHY CHOOSE US?

If you are currently a member of a medical scheme in South Africa, you are probably already aware of the rising costs of medical care in our country. The reality is that many medical professionals and facilities charge more than what your medical scheme will pay out. This leaves you open to a variety of additional shortfall payments that you need to make from your own pocket.

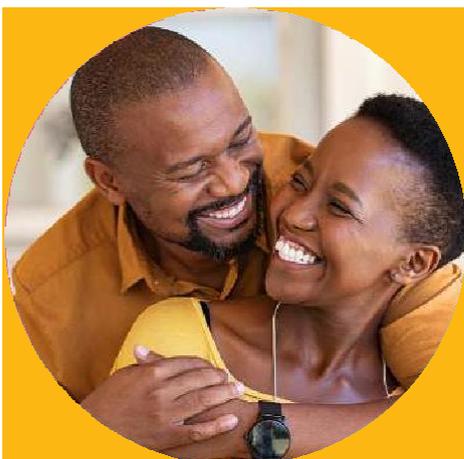

Mission Statement:

We are committed to delivering affordable and sustainable gap cover products that meet the needs of our clients.

Admed Gap Cover is a way to ensure that these shortfalls are taken care of, leaving you with the peace of mind you need to focus on yourself and your loved ones.
