A new, affordable way to get **private healthcare**.

This is not a medical scheme and the cover is not the same as that of a medical scheme. This insurance product is not a substitute for medical scheme membership.

Key benefits

In-hospital specialist shortfalls

Covers shortfalls on specialist claims up to **500%** of the medical scheme tariff, for approved medical procedures and consultations in hospital.

Out-of-hospital specialist shortfalls

Covers shortfalls on specialist claims up to **500%** of the medical scheme tariff, for out-of-hospital consultations and treatment.

Co-payments and deductibles

Covers upfront payments for certain day procedures, like scopes or scans performed in-hospital or in a day clinic.

Cancer treatment

Covers shortfalls and co-payments for approved cancer treatment, including biological medicines.

Out-of-network hospital co-payments

Provides unlimited cover for co-payments at Netcare facilities, including one co-payment up to **R11 760** a year at another facility.

Maternity costs

Covers enhanced maternity benefits for in and out-of-hospital shortfalls, even for high-risk pregnancies.

Emergency treatment in an emergency department

Covers shortfalls for medical emergencies from accident or trauma events and illnesses, in an emergency department.

Day-to-day costs beyond medical scheme limits

Covers specialist consultations when referred to by a GP or medical specialist for treatment and diagnosis.

Charges above sub-limits

Covers shortfalls for medical procedures like prosthetic devices, and stays in a mental health institution or rehab.

Premium waiver

Covers GapCare and medical scheme premiums for 6 months, up to **R5 000** a month, if you pass away or become disabled due to an accident.

Trauma counselling

Covers shortfalls for trauma counselling when your medical scheme benefit limits are reached.

GapCare Emergency Booster

Added cover for emergency treatment in an emergency department.
